

# GRIPPLE

# T-CLIP

**THE T-CLIP IS A REVOLUTIONARY SOLUTION FOR SECURING A FENCE AT AN END POST, PARTICULARLY USEFUL ON HORSE AND DEER FENCES WHERE SPACE IS TIGHT AND THERE ARE MULTIPLE WIRES.**

- Up to 5 times faster than knotting.
- Ideal for awkward, tight spaces, particularly horse fencing.
- Neat, professional finish.
- Simple twist and push fit-ideal for use with very hard wires where knotting is cumbersome .
